On behalf our hundreds of thousands of members working across film and television, the Directors Guild of America, SAG-AFTRA, LiUNA! Local 724 and the Teamsters Local 399 Hollywood, joined by the California Labor Federation, stand in solidarity with our International Alliance of Theatrical Stage Employees (IATSE) sisters, brothers, and kin, who represent 52,000 crew members across California.

The basic quality of life and living wage rights IATSE is fighting for in their negotiations with the Alliance of Motion Picture and Television Producers (AMPTP) are the issues that impact all of us who work on sets and production and are about worker dignity and basic human necessities. We are unified in our belief in the importance of living wages, sustainable benefits, and reasonable rest periods between shifts and during the workday.

Behind every great film and television show is a hardworking crew. We stand in solidarity with IATSE.
